I. Introduction

If you are a follower of Jesus Christ this morning, then you have an incredibly reality operating in your life. You have some very specific certainties that became living truths for you from the moment of salvation and into eternity.

II. Five Certainties Christians Can Know:

#1—You can know in Christ (v. 13)

#2—Your prayers are heard at Heaven's throne in Christ
(vv. 14-17)

#3—You have a new nature in Christ (v. 18)

#4—You are from God in a dark world (v. 19)

#5—You know you have understanding in Christ (v. 20)

III. Conclusion

Let's thank God for every single thing that comes your way—he promises to bless you and you will also eliminate the burden that often keeps our spiritual footing uncertain because we have taken our focus off of Christ and put it on our circumstances instead—totally unstable.
