## **I. Introduction**

Understanding the way an atheist or humanist thinks, provides more opportunity when discussing things spiritual. Atheists do one thing very well—they keep Christians on watch to protect the truth and to be able to defend the truth.

## **II. What is Atheistic Humanism?**

- a. What defines \_\_\_\_\_?
- b. \_\_\_\_\_ the evidence for God

## **III. The Meaning of Atheistic Humanism**

1. The Creation
2. God
3. The Human Race
4. Ethics

## **IV. Building Bridges to Humanists**

1. Begin with prayer and love
2. Value of life
3. Moral absolutes are real
4. Eternal life is real

## **V. Conclusion**

If creation is true, then there MUST be a Creator to whom we will one day stand before and held culpable. Evolution feeds the atheistic platform for life apart for God and denies God in the process. We can believe God or believe men.
