SEPTEMBER 13, 2020
DR. ANDREW SCHWENK

I. Introduction

The sufficiency of Scripture means that our Bibles contain all the words God intended for the salvation, relationship, and faithfulness of his people.

II. Jesus' Supremacy Confirms Scripture's Sufficiency (Heb. 1:1-4)

- a. Jesus is _____ to all previous prophets and patriarchs
- b. The _____ to hear the voice of God speak to us through his living Word

III. What Did Jesus Believe About the Bible?

- a. John 10:35-36—"Scripture cannot be broken"
- b. Matt. 5:17-19—"the least of these commandments"
- c. Matt. 12:38-42—the facts of Scripture
- d. Matt. 19:4-5—Scripture is the words and voice of God

IV. Conclusion

Jesus believed Scripture was the inspired Word of God. Jesus believed the Bible was true—every single word of it. His example serves as ours to revere and respect the Scriptures just like he did.
